PSECC need to monitor. Work on fencing on the raised pavement has not yet been completed. As at 18.3.25 they had undertaken some of the work and had stated that they will return shortly. A tree on corner of Ffordd Yr Eglwys and Main Road is to be cut back by Network Rail. Being monitored by PSECC. Cutting and maintenance of hedges are being monitored. All Councillors to inform Cllr Firth if any need maintaining. It was reported that the “low clearance” signs near the railway bridge are felt to be inadequate. It has been agreed that the missing sign will be replaced and issues regarding other signage is being monitored. VOG do not at present feel it necessary to add additional signs. A number of trees have fallen down, into the river and an email was sent reporting the problem on 10.3.25. Cllr Firth also re-reported it to Natural Resources Wales – as of 19.3.25 we are still awaiting a response. Some logs and lots of twigs / branches have been left on the river bank (Village Green) after the pollarding of the trees. This is likely to cause flooding in heavy rain. Email sent on 10.3.25 Cllr Firth also re reported it to Natural Resources Wales as of 19.3.25 is still awaiting a response. It was reported that the potholes on the Logwood are being repaired. The Council only deal with potholes over 50mm immediately, potholes over 40mm in other areas are being monitored. All Councillors to inform Cllr Firth if further potholes need reporting to the VOG Still waiting for a decision regarding the possible installation of “flashing signs” / VAS. Will follow up yet again. Reported the Dangerous Junction (top of Logwood/Pendoylan Hill). Lines & signs will be renewed. Still awaiting date. 		Cllr Firth (April)

	<p>b) Update on Maintenance Issues (Cllr Phillips)</p> <ul style="list-style-type: none"> It was agreed that a rate of £150 per day for maintenance is acceptable. The church wall, from stile to lych gate, is being repaired this week. Concern was raised about other areas so it was agreed that Cllr Potter and Cllr Drysdale will send photos of other gaps and repointing concerns. A quote for a new Churchyard Noticeboard sign is being obtained. A discussion as to who owns the Noticeboard took place. It was clarified that PSECC own the actual noticeboard but the Church can change the sign inside (as long as it is the same physical size). A quote for the replacement of felt on the shed in the Churchyard will be obtained. Cllr Phillips is meeting three contractors to discuss the path from the MUGA to the blue gate on 12.3.25. It was reported that the new MUGA signs are good. There was concern that extra 'no dogs' signs may be required. It was agreed that the existing signs should be reviewed. 	<p>Send photos of concerns</p>	<p>Cllr Potter & Cllr Drysdale</p>
	<p>c) Update on MUGA (Cllr Drysdale)</p> <ul style="list-style-type: none"> It was reported that the recent maintenance work had improved the drainage but that in wet weather some flooding was still occurring and that the flood water had sand and mud in it. SW Sports are undertaking an "extreme clean" this week which they believe may improve the drainage. A used tennis net has been donated to PSECC from Radyr Tennis Club and it is hoped that other nets may be donated as and when they become available in the future.
